Out Going Commander Comments. Commander Les

Fellow Colonels I can't believe it's been a year already. Feels like just yesterday that I was sworn in as Commander. Seems like just yesterday that I watched the outgoing Commander jump into a pool in below freezing weather. Seems like yesterday that our Active Vice Commander had to be rushed to the hospital for emergency appendectomy while in Jekyll. I mean I could go on and on, but you get the idea. We've had a good year for the Corp. We held an outstanding Camp Dream gold tournament that raised over \$ 4000.00, the second most in it's history. We inducted 7 new colonels. Including colonels from chapters that had not submitted colonels in a long time. We created a new project that raised over \$ 500.00 for Camp Dream this year, but there was some sadness this year as well. We lost two past Commanders. Don Tyson and Jim Morgan, We've had several of our colonels lose family members this year.

I'd like to recognize our Active Vice Commander: Ms. Andrea Perry.

I'd like to recognize our In-Active Vice Commander Mr. Sandy Fordham

I'd like to recognize our Treasure Ms. Connie Cromer.

I'd like to recognize our Adjutant Mr. Larry Pierce

I'd like to recognize our Chief of Staff Mr. Keith McIntire

Our Chaplain Mrs. Karen Whitfield.

Our Parliamentarian Mr. Wendell Whitfield.

Our Sergeant in arms Mr. Michael Haggler.

Our Hospitality Chairman Mr. Chuck Cheeves.

We also had three men working with us this year as our bartenders. Mr. Urbane Lively, Mr. David Arumor, and Mr. Robert Edwards.

I would like to thank the past commanders for their help, advice and wisdom during this year. Some of them wouldn't let me do what I wanted to do, but I would like to thank them for helping me out during the year. I would also like to thank those past commanders whose staff I have served on. For allowing me to work under them, and for there help to get me to here. I'd like to thank my wife for being there to listen to me rant, answer questions about this job, and just being there for moral support, and finally to you colonels for allowing me the honor of being the 47th commander of the Georgia Jaycees Rebel Corp.

Moving into special presentations at this time I call on Commander Les.

Les: One of the things when I ran for this job, I promised everybody that I would continue the traditions of the Crop. It recently came to my attention that in the past when the commander was outgoing they were presented with their past commanders shirt, and past commanders hat. Well, somewhere down the line this tradition seems to have fallen by the wayside. So several past commanders never received their shirts or hats. I'd like to rectify that today. See me after the meeting to get yours. Also one of the one of the traditions, I'm not sure who started this, I think it was Mandi, Between an outgoing and the incoming, but each year the incoming commander has been handed a calendar just to help plan and kind of give them some inspiration. Usually it's a nice Civil War calendar. So to the incoming Commander Keith.

At this time I have another special presentation to Commander Les for a wonderful job representing the Rebel Corp. Your gavel plaque.

Move into passing the gavel.

There's some days when you are going to wanna give this to some of us past commanders, but find the restraint to not do that, At this time I'd like to pass this gavel to Keith McIntire the 48th Commander of the Georgia Jaycee Rebel Corp

Thank you Les. At this time I have some appointments I need to have approved here, we'll go fast.

For the office of Chaplain- Gina Landers.

For the Sergeant at Arms 2006 Tommy Cobb.

For Parliamentarian Ron Cowart.

For Hospitality committee, again David Armour, Robert Edwards and Urbane Lively.

For hospitality chairman Lynn Larson.

And Chief of Staff Lester Jump.

Do I have motion to approve these appointments?

Chuck Cheeves made the motion and Lester Jump made the second. The motion carried.

Finance Committee is treasurer Connie Cromer, myself, Larry Pierce as the incoming treasurer, and Wendell Whitfield.

Elections committee is set by the by laws.

Lost Colonel and Senate Mandi Howard, Denise Bauer, and David Arumor are approved.

Long Range planning committee is already set up. Motion made by Les Howard and second was made by Larry Pierce. Motion carried.

At this time I'd like to entertain a motion to adjourn with the Jaycees Creed. Motion by Les Howard, and second made by Ray Baskett.
